This volume checked, repaired,
and rebound by WPA.

There were no Acts numbered 2,
3, 4, 5, 19, 20, 21, 23, 24,
and 25, when the volume was
received by the Book Binding
Project. This was evidently a
mistake in numbering by the
Notary, as pages originally
numbered by Notary, follow in
order.

Acts beginning on pages 138,
207, 292 were incomplete when
volume was received by the Book
Binding Project.

Mortgage Certificates were miss-
ing from pages 28, 67, 201, and 546.

Proces verbal was missing from
page 219.

Page 183 was mutilated, when the
volume was received by the Book
Binding Project.
