CLERK OF CIVIL DISTRICT COURT AND EX-OFFICIO RECORDER

ABOUT THE CLERK OF CIVIL DISTRICT COURT'S OFFICE FOR THE PARISH OF ORLEANS

The Clerk's Office consists of two divisions — Land Records and Civil. Our Civil Division is where civil cases, such as personal injury, accidents, successions and foreclosures are filed. Domestic matters, such as divorce and child support, are also handled in the Civil Division.

The Land Records Division is where documents regarding property are recorded. Documents regarding changes in ownership, sales donations, as well as, liens, mortgages and encumbrances are recorded in our Land Records Division.

The Notarial Archives Research Center is also located in our Land Records Division. The Research Center documents, which date back to the 1700s, represent the rich history of New Orleans. The archives can be used for property, genealogical, architectural and landscaping research.
