

This book was checked, repaired and rebound in December, 1995. At that time, fragments of acts 40, 48, 71, 74, 94 and 259 appeared to be missing. The index to the books bound into this volume is housed in box 20 - S. That index also lists all of the other Robert Legier acts of 1923 except for the city acts.

1923
